## Cash Refunds can lower costs—

The charts below show the percentage of gross costs returned to individual members as a cash refund, as well as the net cost percentage.

A member's refund is increased by \$25.00 if both the member and spouse are insured. For participants making monthly Electronic Fund Transfer payments, the annual refund is increased by \$25.00. The refund is reduced by \$6.00 for insureds with Dependent Child Coverage.

NOTES: Costs shown are for the policy year ended 9/30/12. Charts for ages 45 through 79 reflect reduced costs under Select Status participation and assume Disability Waiver feature chosen.
