Three CPE Course Options

Receive up to 7.5% premium credit
Earn CPE credit

In today's litigious business environment, even the best professional intentions can result in unfavorable consequences to accountants.

The fallout from a professional liability lawsuit often resembles a "domino effect" as it may only take one claim for your hard-earned reputation, your firm – and your financial livelihood – to come tumbling down.

This training is created by CPAs, defense attorneys, litigation experts and risk control professionals to help you minimize malpractice risks. It also provides you with sound risk control tools you need to incorporate into your daily practice to help safeguard your firm and your most important asset – your livelihood.

Choose from three convenient course options to earn premium credit and CPE credit:

Select a course format (live seminar, webcast, or online self-study) that best suits your schedule and personal learning preference. No matter which format you choose, you'll take away valuable risk management strategies to implement immediately. And, at the same time, you'll earn up to 7.5% premium credit for three consecutive years on your AICPA Professional Liability Insurance policy, as well as CPE credit.

Live Seminar

In an interactive forum consisting of live instruction, videos, and a slide presentation, you'll gain insight from presenters with substantial experience in professional liability risk management, as well as input from your peers. **For a complete listing of seminars, please visit www.cpai.com/cpe7 or call 1-800-221-3023.**
