## Accountants Liability: Raise Your Risk IQ

Risk Management Training for Certified Public Accountants

# A Seminar Designed to Help You Minimize Professional Liability Risks.

Do you know your “Risk IQ?”

Receive up to a 7.5% premium credit | Earn up to four hours of CPE credit

A professional liability claim can damage your hard-earned reputation, firm, financial livelihood, and state-of-mind. By raising your “Risk IQ,” you can help mitigate the risk of experiencing a claim and improve the ability to defend a claim that may arise.

This training is created by CPAs, defense attorneys, litigation experts, and risk management specialists. It provides you with sound risk management tools and techniques to incorporate into your daily practice to help your firm and your most important asset— your livelihood.

### Course Highlights:

- Understand how quality control is the foundation of a risk management program
- Elevate your knowledge to help mitigate your professional liability risk exposure
- Analyze claim data by area of practice
- Learn about area of practice risk exposures and related risk management recommendations
- Areas of practice include tax, financial statement, and consulting services
- Interact with peers in a multi-media forum

### Raising Your Risk IQ Can Help You:
